Guide to Speakers and Session Chairs

- Speakers should be ready in the conference room five minutes before the start of their assigned sessions.
- The Chair of each session will allocate the available time equally among all papers to be presented in the session. Each paper has to be presented within the time allotted sparing three minutes for discussion.
- The session Chair should remind each speaker three minutes before the time he/she is expected to end the presentation. If a speaker goes beyond the time allotted, the session Chair should remind him/her to end the presentation.
- The organizer assumes no responsibility if speakers are unable to finish their presentations in the assigned sessions for any reasons.
- LCD projector and laptop computer will be provided in each conference room. Speakers should store their presentation files in their own USB storage devices. The organizer will NOT provide Internet connection.
